ARDURA

SPETIAL MOOD INTERPRETATION

Our Interpretation of exiting space informs the material direction. The mood reflects a balance of calm, natural texture and understated elegance.

EXTRACTED MOOD

Calm / refined / Timeless

VISUAL DIRECTION

Natural/ Harmonic / Balanced

MATERIAL INTENT

Harmony with exiting space

NATURAL LIGHT

Soft light interact with natural stone

TEXTURE & DEPTH

Subtle textures create depth and visual interest.

TIMELESS BALANCE

A balance of materials for enduring beauty

MATERIAL SELECTION

A curated selection of stones from the Ardura Collection, carefully chosen to complement your space and meet functional and aesthetic requirements.

ARDURA

STONE		APPLICATION	ROLE IN DESIGN
	WHISPER Honed Filled	 Facade Wall	Creates a calm and warm background with natural texture.
	HARSIN Honed	 Floor	Adds light, elegance and enhances the sense of space.
	IVORY CLAY Honed	 Outdoor Steps	Provides a durable surface with soft visual continuity.
	MEMORY Leathered	 Toilet Wall	Introduces depth and subtle contrast to the space.

ARDURA COLLECTION REFERENCE

All stones are natural materials.
Color and texture may vary.

Selected for quality.
Chosen for your space.

MATERIAL VISUALIZATION

Realistic visualization of the selected materials within your space, showing how natural stone brings texture, harmony and timeless beauty to architectural environments.

CLIENT SPACE
WITH SELECTED MATERIAL

NOTE

Renders are for material representation purposes. Lighting, furniture and décor are for visualization only.

Material applied
directly to your space

Each stone is carefully positioned to respect the architecture and enhance the character of your project.

ARDURA

DESIGN ALTERNATIVES

Exploring different material directions to support your decision-making with curated alternatives that offer distinct atmospheres and expressions.

NOTE

Alternatives are provided to help visualize different material expressions within the existing space.

LIGHT & CALM

A light, serene palette that enhances natural light and creates a soft, timeless atmosphere.
